

Raiden

Raiden's Approach

Pullout parking on left as you drive up canyon. Hike up hill past a giant boulder with a short overhanging face (White Out V9/10) 10 yards off road. Continue hiking up hill on a well developed trail until you come to a large boulder with a highball (Kraken V4). The Raiden boulder is just past this to your right.

Raiden's Topo

Raiden's Problems

1. White Out V9
2. Grateful Dead V4
3. Titan V5
4. Kraken V4
Highball
