

8 Mile Gully

Home to a handful of quality problems

8 Mile Gully's Approach

Park right before the 8 mile sign on the left, 1.5 miles from the National Forest sign. Tim's Arete is on the left by the river and can be seen from the road. The trail to Gurka Knife and the rest is across the street.

8 Mile Gully's Topo

8 Mile Gully's Problems

1. Tim's Arete

V7

Climb the upstream arete facing the river.

First Ascent: Tim Kemple

Angle Height

2. Dark Continent

V7

Start the same of Gurka Knife, but climb straight up.

Angle Height

3. Gurka Knife

V9

Start low and traverse the sharp arete left.

Angle Height

4. Big Crimpin'

V11

A bit of a one move wonder off the ground.

Angle Height

5. Fearless

V9

First Ascent: Isaac

Angle

Height
