

## Worst Case Scenario

A lone boulder with a lone problem on it, but one of the best of the grade in Joe's.

### Worst Case Scenario's Approach

Park in the large lot on the left 2.0 miles from the National Forest sign. You can see the problem from the parking lot up canyon on the right side.

### Worst Case Scenario's Topo

## Worst Case Scenario's Problems

### 1. Worst Case Scenario

V9

Start on the slopy jugs. Traverse left and then bust right across the roof.  
Mind the road.
