

Heroin Hut

The Heroin Hut is a stand alone boulder on the north side of Rock canyon. It is rather short but still fun.

Heroin Hut's Approach

Go past the first gate at the parking lot, then take the first left fork in the trail. Once you get to the stream bed, turn left and take the trail leading up the hill to the boulder in the cluster of gamble oak.

Heroin Hut's Topo

Heroin Hut's Problems

1. The Glass Factory

V4

Sit-down start on the east side of the boulder on 2 crimps.

2. On Crack

V1

Start on double handed undercling and head up crack.

Angle Height

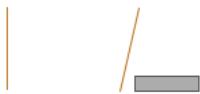

3. Helicopter

V3

Same start as On Crack(double handed undercling) but stay left and eliminate the crack.

Angle Height

4. Say No To Jugs

V6

Sit Down start on the small overhang, climbs straight up. For the V6 rating the left wall and crack have been eliminated.

Angle Height

5. Dihedral

V0

Climb up Dihedral from sit down. Variation(V6)- SDS matched on a sloper left to a pocket then up.

Angle Height

6. Heroin Traverse

V3

SDS in Dihedral head left using the lip of the boulder top out on the small Bulge.
