

Vetatoppen Parking Area

The Rock has good friction, on some lines a bit too good. Has a nice mix of climbing styles like roof, traverse, balancy flatt face climb and a super nice slopy lip traverse.

Rock Type: Granit

Vetatoppen Parking Area's Directions

Veta toppen is a small hill in between Sarpsborg/Aarum and Fredrikstad/Borge. When you drive from Fredrikstad you follow the Riksvei 110 towards Sweden. Take of on too riksvei 532 and after 100m take the small road to the right. Follow this road up through some houses and the forrest. You'll end up on a dirt road, and soon you'll have a clearing on the left. Park the car in too the left on the clearing, and start walking :)
